

ACOR Grant Program Overview FY17

Allegany Community Out Reach (ACOR) grants provide short-term support to local community projects that are in keeping with the mission, vision, and direction of the Franciscan Sisters of Allegany. ACOR grants are unique among Allegany Franciscan Ministries' grant programs in that they do not have a geographic restriction. Rather, they require a direct affiliation with the Franciscan Sisters of Allegany, Franciscan Sisters of Allegany Associates or Trinity Health.

 - benefit people who are part of a disenfranchised segment of society, whether it be on the basis of nationality, race, class, or any other factor;
 - strive to incorporate the viewpoint of individuals who are direct recipients of services;
 - focus on the concerns of the poor and marginalized and the equality of women;
 - affiliated with Franciscan Sisters of Allegany or Franciscan Sisters of Allegany Associates
