

# Wimauma Community Priority: Out of School Time

November 2018

Please note that the Common Good Initiative in Wimauma has identified multiple priorities and goals that work together to achieve change. This document provides information on investments and results for one of those priorities.

## What have we invested in this priority to date?

<b>Grants and grant-related investments</b>	\$200,000
<b>Impact funds</b>	\$32,950
<b>TOTAL</b>	<b>\$232,950</b>

Examples of investments include:

- Installation of covered shelters over the basketball courts at two elementary schools in Wimauma.
- Remove the barrier of transportation for children and adults to attend summer enrichment activities at Hillsborough Community College.
- Staff to support advocacy and policy options related to out of school time.

## What are the results?

The table below provides results through October 2018. These results pertain only to relevant outcomes for grants assigned to this priority, there may be outcomes related to these grants that are reported under other priorities.

<b>Desired results per the strategic plan</b>	<b>Results for January – October 2018</b>
The number of families accessing services at the community school	Although progress has been made, there are no strategic plan metrics to share at this point.
The number and dollar amount of resources leveraged	
The number of students attending after school programs at the community school	

## What are the highlights?

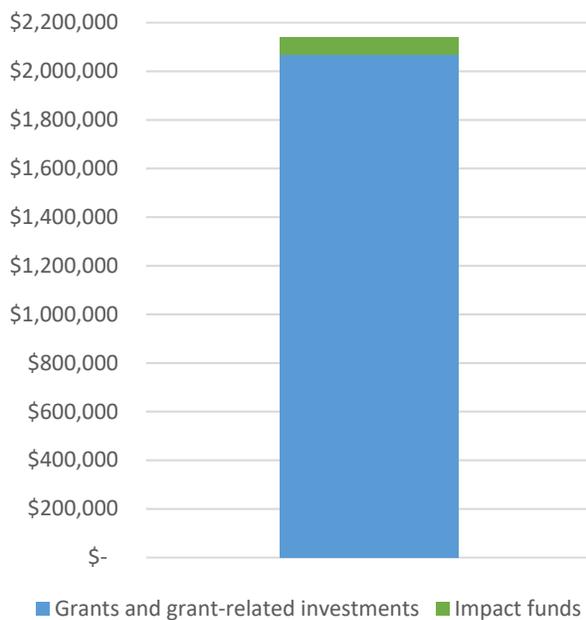

- The Wimauma Opportunity Center provided space for summer programming for youth. As a result, the Florida Education Partnership engaged Enterprising Latinas and the Wimauma CDC to partner on the effort.
- The Wimauma CDC hosted an educational forum; School District of Hillsborough County Superintendent Jeff Eakins attended.
- The Wimauma CDC established a Wimauma Youth Council which created a monthly community event, Festive Friday (150-200 attendees). For this work the Youth Council received an award from Hillsborough County Neighborhoods Department and \$2,500. This award was reinvested in local youth to establish a youth internship program for high school students and recent graduates.

# Wimauma Strategic Goal: Community Capacity

November 2018

Please note that the Common Good Initiative in Wimauma has identified multiple priorities and goals that work together to achieve change. This document provides information on investments and results for one of those priorities.

## What have we invested in this goal to date?

<b>Grants and grant related investments</b>	<b>\$2,068,904</b>
<b>Impact funds</b>	<b>\$70,576</b>
<b>TOTAL</b>	<b>\$2,139,480</b>

### Examples of investments include:

- Funding to provide the down payment for the purchase of building to be used as a community resource hub.
- To increase the economic development infrastructure by increasing economic resources (Internet access, Transportation, and Community Benefits Agreement), increasing job training and job placement opportunities, and strengthening the capacity of the Wimauma CDC to lead efforts that increase residents' economic opportunities.
- Investment in, and development of, the anchor organization.
- The Fellowship for the Common Good, a cross-community resident leadership development program.
- To support four full-time volunteers to assist local organizations.

## What are the results?

The table below provides results through October 31, 2018. These results pertain only to relevant outcomes for grants assigned to this priority, there may be outcomes related to these grants that are reported under other priorities.

<b>Desired results per the strategic plan</b>	<b>Results for January – October 2018</b>
Increase organizational capacity of Wimauma organization	2 organizations Have increased staff and partnerships
The number of leaders engaged	9 Fellows from Wimuama have participated/are participating in the Fellowship for the Common Good  ➤ 91% of fellows reported taking action to advance their communities whether that was getting more engaged with existing organizations or taking on a larger project.
The number and amount of resources leveraged	2 grant partners have obtained additional funding.

These results reflect investments made to build community capacity. Investments in other community priorities and other Common Good Initiative activities may also increase community capacity.

## What are the highlights?

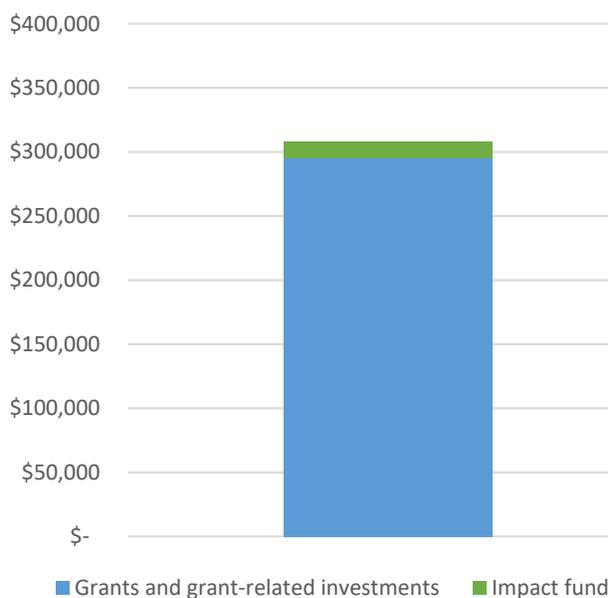

- The Wimauma CDC implemented fiscal and operational procedures, developed a partnership with the Florida Education Partnership and Enterprising Latinas, hosted an educational forum which the Superintendent attended, and reached 3,500 people with messages about their work.
- Catholic Volunteers in Florida volunteers report an increase in communication and collaboration with Answered Prayers Project, South Shore Chamber of Commerce, Association of Business Women, Wimauma Elementary, and Hillsborough County School Board, FL Health Department, and USF.

# Wimauma Community Priority: Economic Opportunities

November 2018

Please note that the Common Good Initiative in Wimauma has identified multiple priorities and goals that work together to achieve change. This document provides information on investments and results for one of those priorities.

## What have we invested in this priority to date?

<b>Grants and grant-related investments</b>	\$295,000
<b>Impact funds</b>	\$13,000
<b>TOTAL</b>	<b>\$308,000</b>

Examples of investments include:

- Provide funding to support a mission outreach/volunteer coordinator who will work directly with clients seeking long term economic self-sufficiency.
- Economic development infrastructure to support microenterprise and implement a resource center for low income women in Wimauma; this is a joint partnership with the Children’s Board of Hillsborough County.

Please note that other investments that impact economic opportunity are included in the Community Capacity priority.

## What are the results?

The table below provides results through October 2018. These results pertain only to relevant outcomes for grants assigned to this priority, there may be outcomes related to these grants that are reported under other priorities.

<b>Desired results per the strategic plan</b>	<b>Results for January – October 2018</b>
# of individuals that increase job skills	Launched 10 workforce programs. Enrolled 104 members, licensed 35 women in childcare and 11 in food service management.
# of small and micro businesses	1 child care home opened
Increased wages	Although progress has been made, there are no strategic plan metrics to share at this point.
Increased employment	48% of clients in the Career Coaching Initiative are now employed (n=26)  10 women obtained employment as a result of passing their child care license
Increased resources for economic development	\$90,000 in grants to support transportation and microenterprise
Policy changes to promote economic opportunity	Although progress has been made, there are no strategic plan metrics to share at this point.
Number and amount of resources leveraged	1 partnership Hillsborough Community College is providing vocational training opportunities in Wimauma.

## What are the highlights?

- The CEO of Enterprising Latinas (the economic ally organization) was approved as a board member of a key local board that oversees the federal and state workforce system.
- A business and operations plan for fixed route transportation service was vetted by the community. The plan provides for three routes servicing approximately 15,674 people and provide access to 1,626 jobs. A series of meetings with transit system and Hillsborough County officials have been held in preparation for the submission of a formal funding request to the Hillsborough County Board of County Commissioners.
