- Questions & Answers
Daily we hear the sounds of humanity:
Shouts of joy and praise and giggles of laughter.
Words of anger and words of compassion.
Cries of suffering that usher in death, and cries of pain that deliver new life.
The silent sounds of tears and smiles.

Let the words we speak and the words we hear be marked by honesty and respect for each other and care for those we serve.
Our Team

The strength of the team is each individual member. The strength of each member is the team.
