Mission Statement

Our mission is to serve together in the spirit of the Gospel as a compassionate and transforming, healing presence within our communities.
Vision Statement

The communities we serve will become ever more just, equitable, and caring; everyone in our communities will be welcomed and have the resources to thrive.
"Rivers do not drink their own water; trees do not eat their own fruit; the sun does not shine on itself and flowers do not spread their fragrance for themselves. Living for others is a rule of nature. We are all born to help each other. No matter how difficult it is... Life is good when you are happy; but much better when others are happy because of you."
